# Body Shaped Shower Sculpture by Bagno Sasso - Aquanatass

European bath brand Bagno Sasso is changing the daily ritual of bathing with the introduction of the [Aquanatass shower sculpture](#). Made to match your natural curves, this body-shaped shower sculpture designed by international artist Hubert Rieber is indeed a work of art. These hand-made, limited-edition sculptures are executed in high-end materials like bronze, aluminum and wood, ensuring that their look is as stunning as their feel. Wash yourself in pure luxury with a shower sculpture – a stunning addition to private bathrooms, spas and spa-inspired spaces. “Aquanatass is an exciting product and the slender and sculptured design completes our collection in an ideal way,” says Rolf Senti, CEO of Bagno Sasso.
